Re: 0 Wilson Road (RZ-21-008)
Request to Defer

Dear Katie,

Please accept this letter as a formal request to defer the Zoning Case No. RZ-21-008 from the November 3, 2021 Planning Commission to the December 7, 2021 Planning Commission meeting agenda.

We have encountered the need for a concurrent variance for open space on a separate lot in the ordinances and revision to site plan.

Thank you and please let me know if you have any questions.

Sincerely,

2013 Holdings, LLC
